### EACU Team Championships Report 2014/15 Season

On the 1st March Alex, Mike, Gerry and Peter H. played the EACU team championships at Bury St. Edmunds. We entered the aggregate 600-point section in contrast to last year where we entered the Open Section and ended up rather bruised. There were two teams from Milton Keynes, and a team each from Cambridge and Sudbury. The feedback was that it was an enjoyable event and everyone scored.

It was a slightly complex structure of mini-matches and was rather tight, but after the dust settled, Bedford were champions and had won £50.

The event seems to be well supported and I expect it will take place again. I don't want to be considered for captain next year as I don't have time at the weekends to play very much and I can't see that improving next season.
